YAE Families,

In preparation for potential snow days Thursday and Friday, we are sending home a blizzard packet. This packet will count as the students' attendance for those days. We will collect and grade the packet upon return.

If students do not complete and return the packet, the hours will be counted against them as an unexcused absent.

If we do not have snow days, please send the packet back to school with your student. In the event that the school is closed, there will be an All Call. You can also check on WKBN or Facebook. If you have any questions, you can call the office upon return or email info@youngstownacademy.org.

Thank you and stay safe,

A handwritten signature in cursive that reads "Ms. Knapp".

Ms. Knapp M.Ed.

The King Holiday: A Day to...

National Archives

Martin Luther King, Jr.

In 1983, fifteen years after the civil rights leader Martin Luther King Jr. was assassinated, federal legislation was passed to create a holiday honoring him, his vision, and his legacy. The same legislation created the Martin Luther King Jr. Federal Holiday Commission to oversee the observance of this holiday. The following is an excerpt from an annual report prepared by the commission in 1993, reflecting an idealistic view of what Martin Luther King Jr. Day means to the United States.

From the Martin Luther King, Jr. Federal Holiday Commission's annual report prepared

for the President of the United States and the United States Congress in 1993:

A day to celebrate the life and dream of Martin Luther King, Jr.

A day to reaffirm the American ideals of freedom, justice, and opportunity for all.

A day to love not hate, for understanding not anger, for peace not war.

A day for family, to share together, to reach out to relatives and friends, and to mend broken relationships.

A day when community rids itself of the barriers that divide it and comes together as one.

A day when people of all races, religions, classes, and stations in life put aside their differences and join in a spirit of togetherness.

A day for our Nation to pay tribute to Martin Luther King, Jr., who awakened in us the best qualities of the American spirit.

A day for nations of the world to cease all violent actions, seek nonviolent solutions, and demonstrate that peace is not just a dream but a real possibility, if only for one day.

If for only one day, each of us serves as a "drum major for justice and peace," then we bring to life the inspiring vision of freedom of which Martin Luther King, Jr., dreamed.
